

The Bulletin Board

Brookhaven Employees' Recreation Association, Upton, N. Y.

VCL. 1 - NO. 27

WEDNESDAY, FEBRUARY 2, 1949

YOUR ASSOCIATION

At a meeting of the Board of Trustees of BERA held Tuesday, January 25, it was decided that a resume of the minutes of each meeting be published so that all members may know the plans of the organization. In accordance with this decision, the following is submitted.

In addition to the routine business, several new proposals were discussed; namely, cooperative buying, associate membership and charge for swimming pool.

The Cooperative Buying Committee, headed by Budd Follack, has been investigating the various means by which such a system could be established for members of BERA. The three proposals presented were:

1. Setup cooperative store here at which articles would be sold at list price and dividends declared to purchasers from profits at periodic intervals.
2. Courtesy cards with discounts to members from local merchants.
3. Periodic sales of various items to members at discounted rates as previously done with the Christmas candy, grass seed, etc.

The three proposals were discussed, but it was felt that further research was required before it could be decided which plan would best serve the purpose. Budd Follack will investigate further

(Contd. on Page 2)

BERA INSTALLS RENTAL LIBRARY

Over 300 popular fiction and non-fiction books with a liberal sprinkling of mysteries, are now available at the Welfare and Recreation Office located in the Gym.

The present collection, containing all of the best selling books for the last year, will include new popular books when published.

Among the best sellers included in the collection are:

The Naked and the Dead
Young Lions
The Big Fisherman
Dinner at Antoine's
High Towers
Crusade in Europe
Roosevelt and Hopkins
Wine, Women and Words
Doctor Faustus
Civilization on Trial
The Road to Reason

DRAMATIC CLUB MEETING

A general meeting of the Dramatic Club was held Thursday, January 27, 1949, in the Theatre. A report on the financial returns of the play, "Life and Half-Life" was given. Pictures of the production were shown and anyone interested in purchasing a set may obtain information from George Cox.

A Script Committee for the new production was appointed, which will become the Executive Committee after the show is given. Included on this Committee are Gerry Davison, Ben Lipetz, George Cox, Saul Harris, Grace Wells, Leonard Heyman and John Binnington. The Committee is now considering scripts for a show to be put on by the Club in the late Spring.

The following chairmen who did such fine jobs in the last show were appointed to work in the same capacity for the coming show: Ellen Reidy-Makeup, George Cox-Scenery, John Weil-Lighting, and Marty Plotkin-Sound.

Watch for the announcements in "The Bulletin Board" about the next general meeting of the Club, the announcement of the play title and the date it will be given.

YOUR ASSOCIATION (Contd. from Page 1)

possibilities and present his findings at the next meeting.

According to the Constitution as originally drawn up, all employees of A.E.C. and B.N.L. are eligible for membership in BERA. Thus, by reverse inference (Bob Brouwer), no one other than those specified above, is eligible. The opinion of the majority of the Board was that it would be desirable to extend membership to other persons who meet the qualifications as set forth. A motion was made that the Constitution be amended to include:

Article III, Section 3: "It shall be within the power of the Board with the approval of the Laboratory, to appoint honorary members to the Association. The members shall be appointed in the following manner. The names shall be proposed by a member of the Board, and shall be passed by two-third vote. The above-mentioned honorary member shall have all the rights and privileges of a regular member of BNL or AEC stationed at Brookhaven. The qualifications of such honorary members shall be as follows: Must be employed full time on the site, and shall have been here for a period of six months before being proposed for membership."

It was proposed that a nominal fee be charged to persons using the swimming pool. This was discussed for sometime and the following arguments offered. It was the opinion of some that complaints might be registered on the grounds that no char-

ges have been made to date and why start now. It is the desire of Administration that BERA be, so far as possible, self-supporting. Therefore, where a source of revenue is possible and feasible, the Board feels that advantage should be taken in order to help support activities which have no income.

The financial structure of BERA is set up by budget requirements. An income earned by a particular activity does not go into that account, but rather to the overall general BERA account for re-allocation where needed. For example, profits of the Theatre Group are not added to their budget, but returned to the general BERA account for allocation to an activity requiring financial support such as perhaps, softball. It was further pointed out that charges are made for activities wherever possible; that is, bowling dances, theatre presentations, etc., and that the swimming pool is a good possibility for income. The discussion resulted in unanimous agreement of the Board that this proposal be submitted to Administration for approval. The following rates were decided upon for entrance to the pool:

BERA members:	\$.10
Visitors	.25
Monthly ticket - BERA members	\$1.00
Yearly ticket - BERA members:	\$5.00

There will be no charge for children under 8 yrs. of age.

New clubs and activities being started: Camera Club, Fishing Club and Horseshoes.

Anyone desiring to read the official minutes of BERA Trustee meetings may do so at the Recreation Office.

Marge Chiuchiolo

WORK PROGRESSING ON SABINE HOUSE

Another busy week-end was spent working on the Sabine house by the following group of staff members:

G. Wagner
J. Lorenc
H. Euler
L. Suydam
R. Chase
A. Saletros
A. Chiuchiolo
C. Nawrocki
B. Pollack
S. Harris
R. Dvorak
C. Bongo
D. Balber
J. Craig
"Happy"

The sheathing was put upon the entire house and the frame constructed for the garage, which was also sheathed.

The latest donors are Mr. and Mrs. Widera, who donated a keg of nails, and the Island Asphalt and Roofing Co., which has volunteered to do all the labor on the roof free of charge.

More volunteers are needed for next week-end, as it is planned to get the house completely closed in. Sunday workers are especially needed. If you are interested in working for this worthy project, contact Budd Pollack, Ext. 423.

CHESS CLUB

Several staff members are anxious to organize a Chess Club. It has been suggested that meetings could be conducted during lunch hours and the games continued from day to day until they were completed. Interested parties are asked to contact D. Balber on Ext. 594.

ATTENTION BOWLERS!

Do not throw your ball, especially while practicing, until previous ball has been returned. Failure to observe this rule might cause serious injury to pin boy.

New Houses For Sale

These two-bedroom expansion attic houses were first advertised by the Housing Office two weeks ago in "The Bulletin Board". There are 11 houses still available out of 22 constructed. They are 17-1/2 miles from the Administration Building in a development known as "Lindner Farms". This is about 1/2 mile east of Smithtown Branch, just north of Jericho Turnpike (Route 25). At a price of \$8,650, \$850 cash is required, the balance being an F.H.A. 25-year mortgage. Monthly carrying charges, including interest, amortization, taxes and insurance are exactly \$59. Anyone whose weekly salary is no less than \$60 would probably be approved by the bank holding the mortgage.

If an employee of this Laboratory is sent through the Housing Office, he can probably secure the house with a cash down-payment of about \$400. This is on the understanding that there is no real estate broker involved in the transaction.

For further information call the Housing Office, Ext. 2145.

Wanted

Ride between Lindenhurst and BNL - To join car pool - Call Louis Muller, Ext. 445.

Ride from BNL to Patchogue at 5 p.m. only - Call Henry Wulper, Ext. 2328.

For Sale

1939 Willys Overland - Call Ext. 476 - Phil Bennett.
